- **4th place**, National Collegiate Programming Contest (NCPC) 2024
- **4th place**, SUST Inter University Programming Contest 2024
- **5th place**, CUET Inter University Programming Contest 2024
- **Top 50**, Samsung R&D BD Code Contest 2024
- **Candidate Master** on CodeForces (Top 6% globally)
- **6 stars** on CodeChef (Top 1% globally)
- **Honorable Mention** in National Physics Olympiad 2017

EDUCATION

BSc. in Computer Science and Engineering

2020 – Present

Shahjalal University of Science and Technology, Sylhet, Bangladesh

Higher Secondary School Certificate (Science)

2017 - 2019

Sylhet Government College

GPA: 5.0

PROJECTS

ST3-CP-Environment

PowerShell Windows Batch Scripting Sublime Text

- Created powerful competitive programming environment for Windows
 - Automated build and execution workflow for C++ competitive programming
 - 38 stars on GitHub
-

PixelPro

Java JavaFX

- Developed an image processing desktop application with advanced filtering capabilities
 - Implemented features for image enhancement, color manipulation, and effect application
-

LocateCrew

Kotlin Jetpack Compose FireBase Android Studio

- Built a real-time crew tracking and management system
 - Implemented location-based features and team coordination tools
-

SUST App

SvelteKit SurrealDB Skeleton UI NodeJS

- Developed a comprehensive university management system serving the SUST community
 - Implemented administrative features including student admission and fee management
 - Built course management system for teachers with attendance and grade tracking
 - Created student portal with class routines, course materials, and academic progress tracking
-
